LIMITS OF INSURANCE AND RETENTIONS

A. Limits of Insurance

Each Coverage Limit set forth in the DECLARATIONS is the most the Insurer will pay under each respective Coverage for each loss or, with respect to the **Investigation Expense Coverage** or **Restoration Expense Coverage**, for all covered expenses in connection with each loss covered under any other applicable Coverage ("Limit of Insurance" or "Coverage Limit").

If a single loss is covered under more than one Coverage, the Limit of Insurance that applies to such loss will not exceed the highest Limit of Insurance for each loss that applies.

All loss resulting from any act, acts, or series of acts or events, whether or not related, committed by one or more persons, or by persons or a group of persons acting together, whether identified or not, will be treated as a single loss.

For purposes of the **Employee Theft Coverages**, all loss resulting from a single act or from separate acts or a series of acts, whether or not related, committed by one or more **Employees**, whether alone or in collusion with others, will be treated as a single loss.

For purposes of the **Forgery Coverages**, all loss resulting from a single act or acts committed by one or more persons, whether involving one or more covered instruments, will be treated as a single loss.

If two or more **Insured Entities** are involved in a loss, the most the Insurer will pay for such loss will not exceed the highest Limit of Insurance applicable to such loss.

Regardless of the number of years this insurance remains in effect and the total premium due or paid, the amount the Insurer will pay for a loss will not be cumulative from year to year or from policy period to policy period.

B. Retentions

If a Retention is stated in the DECLARATIONS, the **Named Insured** is responsible for payment of such Retention. The Insurer's obligation to pay under this Policy is excess of the applicable Retention. The Limits of Insurance will not be reduced by payment of any Retention.

If multiple Coverages apply to a single loss, the Retention that applies to such loss will not exceed the highest Retention that applies to such loss.

If, after payment of a retention or deductible, the **Named Insured** receives payment under another policy or bond for loss also covered under this Policy, the applicable Retention for such loss will be reduced by the amount of such retention or deductible paid under the other policy or bond.

No Retention applies to covered loss to any **ERISA Plan** under the **Theft of Insured Entity's Property Coverage**.

DISCOVERY PERIODS

If this Policy is cancelled or nonrenewed, the Insurer will pay for covered loss:

1. to an **Insured Entity**, other than an **ERISA Plan**, if such loss is **Discovered** within 90 days after the effective date of cancellation or termination; and
2. to any **ERISA Plan** if such loss is **Discovered** within one year after the effective date of cancellation or termination.

These Discovery Periods terminate immediately upon the inception date of any other insurance obtained by the **Insured Entity** replacing, in whole or in part, the insurance afforded under this Policy, regardless of whether such other insurance provides coverage for loss occurring prior to its effective date.

REPORTING OF LOSS

It is a condition precedent to coverage under this Policy that:

1. within 90 days after **Discovery**, the **Named Insured** must notify the Insurer in writing of a loss or an occurrence that could lead to covered loss; and
2. at the earliest practicable moment, but in no event later than 6 months after **Discovery**, the **Named Insured** must furnish a proof of loss with full particulars to the Insurer. Proof of loss must include either the original or a certified copy of any instrument or instruction involved in the loss.

CONDITIONS

Action Against the Insurer

No action may be taken against the Insurer unless, as a condition precedent thereto, there has been full compliance with all of the terms of this Policy and such action is brought no earlier than 90 days after proof of loss has been furnished to the Insurer and no later than two years after **Discovery**.

Assignment

Assignment of any right or interest under this Policy will not bind the Insurer unless and until the Insurer's written consent is endorsed hereon.

Assistance and Cooperation

All **Insured Entities** will fully cooperate with the Insurer in all matters pertaining to a loss or claim, including but not limited to submitting to examination under oath at the Insurer's request and producing all pertinent records at such reasonable times and places as the Insurer shall designate, and will do nothing that in any way increases the Insurer's exposure under this Policy or in any way prejudices the Insurer's potential or actual rights of recovery. No **Insured Entity** will, except at the **Insured Entity's** own cost, voluntarily make a payment, admit liability, assume any obligation, or incur any expense without the Insurer's prior written consent.

Authorization and Obligations of the Named Insured

The **Named Insured** is responsible for payment of all premiums and retentions. The **Named Insured** has authority to act on behalf of all other **Insured Entities** with respect to providing notice, furnishing proof of loss, filing any claim, adjusting the amount of loss submitted, receiving payment of loss (except loss due an **ERISA Plan**), and enforcing payment of loss.

The **Named Insured** is responsible for selecting a Limit of Insurance for each **ERISA Plan** insured under this Policy that is sufficient to provide a limit of insurance that is at least equal to the amount required under ERISA for such **ERISA Plan**.

Bankruptcy

The bankruptcy or insolvency of any **Insured Entity** will not relieve the Insurer of the Insurer's obligation under this insurance.

Cancellation and Nonrenewal

1. Cancellation

- a. The **Named Insured** may cancel this Policy by mailing or delivering written notice of cancellation to the Insurer at its address stated in the DECLARATIONS. Such notice will state the effective date of cancellation or, if no effective date is stated, the effective date of cancellation will be 10 days after the Insurer's receipt of notice. The **Policy Period** will end on that date.
- b. The Insurer may cancel this Policy for non-payment of premium by mailing or delivering written notice of cancellation for non-payment of premium to the **Named Insured** at its address stated in the DECLARATIONS, at least 15 days before the effective date of cancellation.
- c. The Insurer may cancel this Policy for any reason other than nonpayment of premium by mailing or delivering written notice of cancellation to the **Named Insured**, stating the effective date of cancellation, which will not be less than 60 days from the date of notice. Such notice will state the reasons for cancellation.
- d. If this Policy is cancelled, the Insurer will refund unearned premium, if any, to the **Named Insured** as soon as practicable. If the Insurer cancels, unearned premium will be computed pro-rata. If the **Named Insured** cancels, unearned premium will be computed on the customary short rate basis. The return or tender of a return premium is not a condition precedent to the cancellation becoming effective at the time stated in the cancellation notice.

2. Nonrenewal

The Insurer may elect not to renew this policy by mailing or delivering written notice of nonrenewal to the **Named Insured** at its address stated in the DECLARATIONS, at least 60 days before the end of the **Policy Period**. If notice of nonrenewal is mailed, proof of mailing will be sufficient proof of notice. Delivery of the notice will be the same as mailing.

Changes to the Policy

This Policy contains all the agreements between the **Named Insured** and the Insurer concerning the insurance provided. No change in, modification of, or assignment of interest under this Policy will be effective except when made by a written endorsement issued by the Insurer and made a part of this Policy. Notice to or knowledge possessed by the Insurer, any **Insured Entity**, or any agent, broker, or other person acting on behalf of any **Insured Entity** or Insurer will not effect a waiver of or estop the Insurer from asserting any rights under this Policy.

Concealment, Misrepresentation or Fraud

This insurance is void in any case of fraud by the **Insured Entity** as it relates to this insurance at any time. It is also void if any **Insured Entity**, at any time, intentionally conceals or misrepresents a material fact concerning this insurance, any **Covered Property**, the **Insured Entity's** interest in **Covered Property**, or any claim under this insurance.

New and Former Entities

1. If during the **Policy Period**, the **Named Insured** acquires or merges with another entity or obtains **Management Control** of any entity, then this Policy will provide coverage for such entity and its subsidiaries and employee benefit plans that would otherwise be covered pursuant to the provisions of this Policy, but only for loss **Discovered** on or after the effective date of such transaction; provided, however, that if such entity's assets exceed 15% of the **Named Insured's** total consolidated assets, as of the date immediately preceding the effective date of such transaction, then such coverage will not extend beyond the earlier of the end of the **Policy Period** or 90 days following such date, unless the **Named Insured** gives the Insurer written notice of the transaction within such earlier period, and pays any additional premium required by the Insurer, which will be computed pro rata from such date based on the Insurer's current rates.
2. Coverage terminates immediately with respect to any entity for loss **Discovered** after the date such entity ceases to be an **Insured Entity**.

Notices

Except as otherwise provided in this Policy, all notices under this Policy must be in writing and delivered by prepaid express courier or certified mail, facsimile, or electronic mail to the appropriate party at the street address, fax number, or email address, as applicable, designated in the DECLARATIONS. Notices to the **Insured Entities** will be given to the **Named Insured**. Notice will be deemed to be received and effective upon actual receipt by the addressee or one day following the date such notice is sent, whichever is earlier.

Other Insurance

If there is any other valid and collectible insurance, bond, or indemnity that applies to any loss covered under this Policy, this insurance shall be excess over such other insurance, bond, or indemnity.

Ownership and Interests Covered

- 1 The property covered under this Policy is limited to:
 - a. property the **Insured Entity** owns, leases, or holds for others; or
 - b. property for which the **Insured Entity** is legally liable and was legally liable prior to the date the loss occurred.
2. This Policy only covers direct loss to the **Insured Entity** unless specifically provided otherwise in this Policy.
3. This Policy is for the benefit of the **Named Insured** only and provides no rights or benefits to any other person, organization, **Insured Entity**, or joint payee.
4. The Insurer will pay loss to any **ERISA Plan** directly to such **ERISA Plan**. All other loss due under this Policy will be paid solely to the **Named Insured** or jointly to the **Named Insured** and any other payee as directed by the **Named Insured**.

Premium

The **Named Insured** will pay the Premium stated in the DECLARATIONS. As may be agreed upon by the **Named Insured** and the Insurer or as otherwise provided in this Policy, the Premium may be adjusted at any time during the **Policy Period** or any extensions of the **Policy Period** based upon changes in the provisions of this Policy.

Records

The **Insured Entity** must keep records of all **Covered Property** so the Insurer can verify the amount of any loss.

Representations

The Insurer has relied on the statements made and information in the written application and the accuracy and completeness of such statements and information. Such statements and information are the basis for the Insurer's issuance of this Policy, are incorporated in and constitute a part of this Policy, and have induced the Insurer to issue this Policy.

State Amendatory Inconsistency

It is agreed that if there is an inconsistency between any terms in this policy and any similar terms contained in the state amendatory endorsement attached to this policy, then the Insurer will apply those terms which are more favorable to the **Insured Entity**, to the extent permitted by the law of such state.

Subrogation and Recovery

In the event of any payment under this Policy, the Insurer will be subrogated to the extent of such payment to all the **Insured Entities'** rights of recovery thereof, and the **Insured Entities** will execute and deliver all instruments and papers required and do whatever else is necessary to secure, and will do nothing to prejudice, such rights. No **Insured Entity** will do anything to prejudice such rights. Any amount recovered, after settlement of loss, less the costs of recovery, will be apportioned in the following order:

1. to the **Named Insured** for loss otherwise covered but in excess of the Limit of Insurance;
2. then to the Insurer for reimbursement of the settlement paid;
3. then the remainder, if any, to the **Named Insured**.

Recoveries do not include recovery from any reinsurance or indemnity of the Insurer or recovery of original **Securities** if duplicate **Securities** are issued.

Termination of Coverage

1. Coverage will terminate immediately under the **Employee Theft Coverages** for any loss resulting from **Theft** committed by an **Employee** upon **Discovery** of:
 - a. any unlawful taking of property or any fraudulent or dishonest act committed by such **Employee** while employed by the **Insured Entity**; or
 - b. any fraudulent or dishonest act committed by such **Employee** prior to his or her employment with the **Insured Entity** involving any property valued at \$25,000 or more.
2. Coverage will terminate immediately for any loss occurring after the voluntary liquidation or dissolution of the **Named Insured**.

Territory and Currency

This Policy applies to loss occurring anywhere in the world.

All monetary amounts under this Policy are expressed and payable in the currency of the United States and, unless specifically provided otherwise in this Policy, the Insurer will pay all loss due under this Policy in the currency of the United States.

Valuation

1. For covered loss of **Money**, the Insurer will pay only up to and including the face value of **Money** on the date the loss was **Discovered**. For covered loss of foreign **Money**, payment will be made at the conversion rate published in *The Wall Street Journal* on the date the loss was **Discovered**.
2. For covered loss of **Securities**, the Insurer will pay, at the Insurer's sole option:
 - a. the cost to replace **Securities** or up to and including the closing price of **Securities** on the business day immediately preceding the date the loss was **Discovered**; provided in either case, the **Named Insured** must assign its rights, title, and interest in the **Securities** to the Insurer; or
 - b. the cost of any Lost Instrument Bond required in connection with issuing duplicate **Securities**.
3. For covered loss of or damage to **Property**, the Insurer will pay the least of:
 - a. the price paid by the **Insured Entity** for the **Property**;

- b. the cash value of **Property** on the date the loss was **Discovered**; or
- c. the cost to repair or replace **Property** with that of similar quality and value as of the date on which the **Named Insured** furnished proof of loss.
4. If a **Subsidiary** or Insured Joint Venture located outside the United States and not subject to United States federal or state tax provisions incurs loss, and payment of such loss to the **Named Insured** will be reportable income of the **Named Insured** under federal or state tax provisions, the Insurer will adjust the payment amount, using the Formula for Tax Adjustment shown below (Formula), to compensate the **Named Insured** for any additional federal or state income tax liability it incurs as a result of such payment.

Formula for Tax Adjustment			
Final Payment	=	Loss Amount	x $\frac{1.00 - \text{Marginal Foreign Tax Rate}}{1.00 - (\text{Marginal Federal Tax Rate} + \text{Marginal State Tax Rate})}$

As used in the Formula:

- a. "Final Payment" means the amount paid by the Insurer after tax adjustment.
- b. "Loss Amount" means the amount paid by the Insurer for loss before tax adjustment.
- c. "Marginal Federal Tax Rate" and "Marginal State Tax Rate" mean, respectively, the marginal rates of U.S. federal and state income taxation of the **Named Insured** for the tax year in which the loss is paid and shall include, if any, foreign tax credits accruing as a result of such loss.
- d. "Marginal Foreign Tax Rate" means the marginal rate of income taxation applicable to the **Insured Entity** sustaining the loss in the tax year in which the loss is written off.

CANCELLATION AND NONRENEWAL ENDORSEMENT – GEORGIA

It is agreed that:

Except as specifically set forth herein, any Cancellation or Nonrenewal provision in this policy is replaced by the following. If the policy does not contain a Cancellation and/or Nonrenewal provision, the following is added to the policy:

1. Cancellation

- a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation stating a future date on which the policy is to be cancelled, subject to the following:

- (1) If only the interest of the first Named Insured is affected, the effective date of cancellation will be either the date we receive notice from the first Named Insured or the date specified in the notice, whichever is later. However, upon receiving a written notice of cancellation from the first Named Insured, we may waive the requirement that the notice state the future date of cancellation, by confirming the date and time of cancellation in writing to the first Named Insured.
- (2) If by statute, regulation or contract this policy may not be cancelled unless notice is given to a governmental agency, mortgagee or other third party, we will mail or deliver at least 10 days notice to the first Named Insured and the third party as soon as practicable after receiving the first Named Insured's request for cancellation.

Our notice will state the effective date of cancellation, which will be the later of the following:

- (a) 10 days from the date of mailing or delivering our notice; or
- (b) The effective date of cancellation stated in the first Named Insured's notice to us.

b. Premium Refund

- (1) If this policy is cancelled, we will send the first Named Insured any premium refund due.
- (2) If we cancel, the refund will be pro rata, except as provided in c. below.
- (3) If the cancellation results from failure of the first Named Insured to pay, when due, any premium to us or any amount, when due, under a premium finance agreement, then the refund may be less than pro rata. Calculation of the return premium at less than pro rata represents a penalty charged on unearned premium.
- (4) If the first Named Insured cancels, the refund may be less than pro rata.
- (5) The cancellation will be effective even if we have not made or offered a refund.

c. If we decide to:

- (1) Cancel or nonrenew this policy; or
- (2) Increase current policy premium by more than 15% (other than any increase due to change in risk, exposure or experience modification or resulting from an audit of auditable coverages); or

(3) Change any policy provision which would limit or restrict coverage;

then:

We will mail or deliver notice of our action (including the dollar amount of any increase in renewal premium of more than 15%) to the first Named Insured and lienholder, if any, at the last mailing address known to us. Except as applicable as described in Paragraph e. below, we will mail or deliver notice at least:

- (1) 10 days before the effective date of cancellation if this policy has been in effect less than 60 days or if we cancel for nonpayment of premium; or
- (2) 45 days before the effective date of cancellation if this policy has been in effect 60 or more days and we cancel for a reason other than nonpayment of premium; or
- (3) 45 days before the expiration date of this policy if we decide to nonrenew, increase the premium or limit or restrict coverage.

d. Notice of cancellation will state the effective date of cancellation and will be effective for all Insureds. All coverage will end on the effective date of cancellation.

e. With respect to a policy that is written to permit an audit:

If you fail to submit to or allow an audit for the current or most recently expired term, we may cancel this policy subject to the following:

- (1) We will make two documented efforts to send you and your agent notification of potential cancellation. After the second notice has been sent, we have the right to cancel this policy by mailing or delivering a written notice of cancellation to the first Named Insured at least 10 days before the effective date of cancellation, but not within 20 days of the first documented effort.
- (2) If we cancel this policy based on your failure to submit to or allow an audit, we will send the written notice of cancellation to the first Named Insured at the last known mailing address by certified mail or statutory overnight delivery with return receipt requested.

f. If notice is mailed, a receipt provided by, or such other evidence of mailing as prescribed or accepted by, the U.S. Postal Service shall be sufficient proof of notice.

As used herein, "us" and "we" refers to the insurance company named on the Declarations.

As used herein, "you", "your" or "named insured" refers to the person or entity first named as such on the Declarations.

If any provision of the policy contains cancellation or nonrenewal terms that are more favorable to the insured than those provided in this endorsement, then, except where prohibited by applicable state law, the more favorable terms control.

All other provisions of the policy remain unchanged.
