BE Awards

NOMINATION CRITERIA

Foundational Excellence Standards

Applicable to All Award Categories:

All nominees for BE Awards must demonstrate the following foundational standards as a baseline requirement. These are not standalone award criteria but essential qualities expected of every award recipient.

PRESENCE

Come to office and company events in neat, clean, and appropriate dress while maintaining proper personal hygiene and a professional appearance that reflects positively on you and the company.

PERFORMANCE

Complete your work on time with focus and quality. Be responsible and give your best in your role.

PERSEVERANCE

Stay positive and keep going even when work gets challenging. Show dedication and a strong work attitude.

Important: These foundational standards are prerequisites for all awards. Nominees must meet these baseline expectations in addition to the specific criteria for each award category. Failure to maintain these standards may disqualify candidates from consideration, regardless of performance in other areas.
